

Job Opening: Appliance Repair Technician II

We are a growing appliance repair company based in Clayton, NC that offers its employees competitive pay, benefits, and a great work environment.

The Company: Pear Tree Appliance Repair is a local company with faith based values and is known for the great care we take with clients and employees alike.

- Our reputation is built on trust, value, and doing what's right.
- We believe in providing superior service, helping the community, and making a lasting impact in our work.

The Position: We're looking for an Appliance Repair Technician with preferably three or more years experience and having a desire to make a difference. The pay range we're offering is dependent on experience and is very competitive.

- We provide paid vacation and holidays.
- We also offer medical insurance and other benefits.

The Location: Pear Tree Appliance Repair is based in Clayton, NC. We service Johnston county and the surrounding areas including Raleigh.

Why Should You Apply?

- Great benefits
- Company vehicle and tools
- Home dispatch
- Great work environment
- Opportunities for training and advancement
